

Assistance Intelligence Committee (AIC) Roundtable

'Improving Healthcare and Medical Services in Africa'

Thursday 27th October | 13.00 – 15.00 EEST
Conference Room, Hotel Grande Bretagne, Athens

Mission

To drive collaboration between key industry players and influencers in creating innovative, quality, and adaptive solutions addressing the challenges of healthcare access and quality in Africa – and beyond.

Goal

To discover if assistance companies can be agents for change – leading to better health and care services outcomes.

What to expect

- 5-person exploratory discussion
- An opportunity for audience members to engage and ask questions
- No time for lunch beforehand? We've got you covered with some light bites and refreshments.
